

### **31. Joseph Okolla**

Are you married or single?

Do you have children?

What are your hobbies?

What do you hope to gain from your mentor?

What are your business goals?

Yes I am married

Have children

My hobbies are listening to gospel music, reading the bible, listening to preachers, and watching sports on television live.

I hope to get a lot of knowledge on modern Mechanics.

My goals in the business is to start a business in Mechanics to make the local community have access to mechanical spare parts and at an affordable rate; support my family and the spread of gospel.
